CANADIAN FERTILIZER INSTITUTE (FERTILIZER CANADA) – Fertilizer Canada is an industry association representing Canadian manufacturers, wholesalers and retail distributors of nitrogen, phosphate and potash fertilizer used in the production of agricultural crops that help feed the world. Fertilizer Canada aims to promote the industry through advocacy, safety and security, and nutrient stewardship.

CANADIAN ASSOCIATION OF PETROLEUM PRODUCERS (CAPP) – The Canadian Association of Petroleum Producers (CAPP) represents companies, that explore for, develop and produce natural gas and crude oil throughout Canada. CAPP advocates for and looks to enable economic competitiveness and safe, environmentally and socially responsible performance.

CHEMISTRY INDUSTRY ASSOCIATION OF CANADA – The Chemical Industry Association of Canada (CIAC) is an advocacy group that works with federal and provincial governments to create a favorable and competitive business environment for Canada's chemistry industry, to improve the public's confidence in chemicals management, to ensure environmental standards, and to guarantee the safe transportation of chemicals to and from facilities throughout Canada.

CANADIAN PROPANE ASSOCIATION (CPA) – The Canadian Propane association is the national association for Canada's propane industry, representing over 400 member companies in every region of the country. The CPA champions for propane and the propane industry in Canada, and aims to facilitate best practices, safety and a favorable business environment, through advocacy, training and emergency response.
